For the Love of the Game

From left to right, Harriet Freeman, Claire Reese, Sidonie Gruenburg, Barbara McGhee

Almost every Monday, Wednesday and Friday mornings, several ladies come out and play tennis for the exercise and the fun of it. All of these ladies are over 70 and have been playing League Tennis for years now. They come out and just have fun and tell me that it is the most enjoyable tennis they have played in years. There is no pressure to win one for the team (so to speak) the idea is to just have fun! If you are a C player and just want to have a great time playing tennis please call the pro shop and we can get you in with this group who are always looking to add players.
-Thanks, Stan

Congratulations to Sweetwater Golf and Country Club's own Lexi Aranda who was Seminole County's Ladies Tennis Player of the Year!!
